CONFIRMATION NAMES

If the Candidate's baptismal name is that of a recognized saint of the Church, it is preferred that he/she retain that name for Confirmation. Using the baptismal name for Confirmation highlights the relationship between the sacraments of Baptism and Confirmation. Since Confirmation seals and completes what was begun at Baptism, this is most appropriate.

If the Candidate decides to choose a new name for Confirmation, then it should be a saint's name, a beatified person's name, or a name that has an obvious or direct connection to the Christian faith (e.g., the name of a theological virtue, a biblical name from the Old or New Testament).

Any name that is contrary to the Christian faith or any name that does not have an obvious or direct connection to the Christian faith may not be used as a Confirmation name.

There should be a good reason why you choose your Confirmation name. Candidates should choose a patron saint whose Christian life or virtues can be imitated. You will need to tell Father Pete in your letter of intent why you chose your name. You may research names in saint books in my office or use the web:

or do a search using the words "Patron Saints."
